Letter & donation from Brian Macaulay

Look forward to Ft. Benning. Joey and I were married 2/19/49 in the Main Chapel and had our reception at the Main Club.

Had an aortic valve replacement 1/25/10 and am now well and kicking.

Thought for the day!!

With time, women gain weight because we accumulate so much information and wisdom in our heads that when there is no more room, it distributes out to the rest of our bodies. So we aren't heavy, we are enormously cultured, educated and happy. Beginning today, when I look at my butt in the mirror I will think....GOOD GRIEF, look how smart I am!
